A MESSAGE FROM OUR STUDENT

"It's fun learning at U+. I am learning English, French, Spanish, Mandarin, Cantonese, Japanese, and Korean. My partner is Isabella and we have been learning together for 2 years. I love every language because I can meet with different teachers and learn new cultures." - Emma, 5

A MESSAGE FROM OUR TEACHER

"We are so proud of our students who have persevered through challenges and embraced a new way of learning online with curiosity, excitement, and a positive attitude!" - Megan

The purpose of this process is to help find what service best fits your needs.

After registration, we provide you with a **free assessment**. This will help determine a **personalized** learning plan before proceeding with classes.

WHO ARE WE?

U+ is committed to connecting highly qualified teachers with students worldwide for an online interactive language learning.

OUR MISSION

Our mission is to become the premier, most innovative language learning platform in today's online educational community.
